TOWN OF TAMWORTH FIRE DEPARTMENT

The year of 1970 produced 20 recorded fires; 5 structural, 3 chimney, 6 grass, 4 dump and 2 oil burners. Of the above, three were serious and created a hazard to neighboring buildings.

We wish to take this opportunity to stress the importance of keeping buildings free of trash and combustible materials, also maintaining a cleared area around the outside which prevents grass fires from spreading and allows the firemen to work close to the building. If you have any questions about the safety of your buildings, please feel free to contact any of the firemen for advice.

The elapsed time between discovery of a fire and arrival of apparatus determines the chance of controlling a fire. Any person who discovers a fire should report it at once. If by phone, Call 323-7244. Give Your Name, Location, Type of Fire. All people in any house should learn how to report a fire.

Your full cooperation will help to make your Volunteer Department a better working unit.

CHARLES W. REMICK
Chief

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

The 1970 forest fire season was a quiet one in this area, quiet in part because of your continued cooperation and favorable weather conditions.

Fires that did occur were, for the most part, caused by debris burning, children and smokers.

The elimination of these three causes of forest fires would drastically change this picture-to bring about this change we make the following suggestions:

1. When the ground is not covered with snow a permit to burn must be obtained from the Forest Fire Warden. This permit covers waste burning, even if in an incinerator, grass burning, as well as garden trash and brush burning such burning is restricted by regulation to prior to 9:00 A. M. and after 5:00 P. M. with the following exceptions:
Commercial or Industrial burning is permissible at any time under normal conditions but only with the approval of the District Chief and a written permit from the Forest Fire Warden.
2. Fires caused by children can be prevented only with the complete cooperation of parents in the supervision of their children, keep matches out of reach of children, this action will help to prevent fires and may save a life, the life of your child. Try to explain this to your child, won't you?
3. Forest fires caused by smokers can be reduced in number by the exercise of more care in the discarding of matches and smoking material whether from a vehicle or by a hiker. In all cases, make sure that the butt or match you discard is out, dead out. Smokey says, "Thanks for your help", and invites you to join with him in setting a good example for others in the pre-

vention of fires and the protection of our environment.

Number of fires reported and acres burned:

STATE	484 fires	244 acres
DISTRICT	46 fires	16 acres

REPORT OF THE PLANNING BOARD

The Tamworth Planning Board has met at the Town House at 7:30 p. m. the fourth Wednesday of the month for eight regular meetings during the past year. They also held a Public Hearing in January 1970 on subdivision regulations and had two special meetings and a hearing of abutters on a subdivision. The Board wishes to stress that all of these meetings are open to the public.

At one meeting members of the Conservation Committee were present.

A Principal Planner from the State Planning and Economics came to two meetings and discussed the Comprehensive Plan. The Board voted in favor of being included under the 701-Comprehensive Planning Systems Program and we will be getting a housing survey report, base maps and subdivision manual.

The Planning Board would like to remind people of the subdivision regulations, copies of which can be obtained from the Selectmen's office or Planning Board members.

CONSERVATION COMMISSION REPORT

Peg King was elected chairman of The Tamworth Conservation Commission last March succeeding Betty Steele who had been chairman since The Commission came into being at Town Meeting in 1966. In April 1970 The Commission voted to elect officers on an annual basis and placed a three year limit on the chairman's term of office. We have met ten times in 1970.

One hundred dollars was appropriated for tree planting during Town Meeting in March. As residents of South Tamworth had expressed an interest in having more trees in that section of the Town, on May 14th and 15th twelve trees were planted--both spruces and maples--for people who had signed up for them on a sheet of paper that had been posted in the South Tamworth store. An eight foot Christmas tree, which continues to flourish, was put in by the fire station but due to the sudden leap from winter to summer several of the newly planted young trees unfortunately did not survive.

Commission members are drawing up a Conservation Plan for the Town with technical assistance from John Damon, Director of North Country Recreation, Conservation and Development, and Richard Sheaff, staff member of New Hampshire Tomorrow. This plan will be a report to the Selectmen and the Planning Board of the Tamworth Conservation Commission's recommendations in regard to one aspect of Tamworth--its invaluable natural resources. It will stress the multiple use of our resources but with provision for certain preserved areas which would *not* be designated for several types of use.

Peg King reported on the projects of the Commission at Summer Town Meeting on August 24th.

Two members of the Commission organized and lead several nature walks for the children in the Summer Enrichment Program and one member of the Commission

with a staff member of the Program transported a dozen or more children every day for a week in August to the Squam Lakes Science Center for their stimulating lectures and demonstrations on wild animals and their environment.

Shortly after the Commission was organized four years ago, the Wonalancet Associates contributed \$2000 for the purpose of building a footbridge across Swift River to give ready access to the 105 acre unspoiled, wild area which The State of New Hampshire is permitting the Tamworth Conservation Commission to manage. This tract has been named "The Big Pines Natural Area". Last November the footbridge was completed--a most generous gift from the Associates.

Members of the Tamworth Garden Club have indicated a desire to help the members of the Commission on the laying out of nature trails in "The Big Pines Area." The Commission will begin this spring to mark out a nature path which will feature the tremendous white pines and geologically distinctive terraces above Swift River itself. Wildflowers, ferns and mosses growing in this portion of Hemenway will be labelled as will the different kinds of trees that through succession are growing in "The Big Pines Natural Area" today. Commission members feel we are not doing as much as we would like in environmental education so our first hope is that this path will be used for teaching purposes by teachers in the Tamworth School, and our second is that the residents of the Town will also become interested in the story a woodland has to tell and will visit this Area whenever they wish to learn the delights of a forest, or will come simply to "pause and refresh".

We are exceedingly grateful to Mrs. Harry F. Damon who has deeded to the Conservation Commission 35 acres of land near White Lake which includes one and one half tiny, bog ponds. This habitat is perfect for summer resident

song birds as well as native ones and is a haven for wild life. The ponds themselves vary somewhat in size due to the amount of rainfall that has fallen and they act as invaluable sponges or reservoirs when there is excess water.

In closing the Commission also wishes to wholeheartedly thank an anonymous donor who has designated in her will that a piece of land be left to the Conservation Commission.

TAMWORTH OUTING CLUB

ACTIVITIES REPORT

In the course of the year, the Tamworth Outing Club has sponsored various activities with a view toward providing an increasing enjoyment of outdoor recreation by the people of the town.

The spring fishing derby, as is the custom, was held in the month of May, and the more successful young anglers were awarded their prizes at a school assembly.

The Tamworth Little League Team, now in its fourth season, provided an introduction to the sport for over twenty five youngsters under the guidance of Coach Whip Farnum. We understand that Whip will yield the coaching reins in the coming season to Bob Olkkola, and lend his efforts toward overall improvement of the league in the area. We extend our thanks to Mr. Farnum for working with the boys for the past four seasons, and to Mr. Olkkola for continuing the program.

Two trap shoots were held in the Hemingway Reservation at Great Hill in September and a Rifle Shoot in October at Robert's Pit in Chocorua. Both of these events have been sponsored each year for over ten years, with the Club providing supervision and prizes.

The New England Sled Dog Club Race was sponsored by the Outing Club during the Christmas holidays. It has now become the traditional "opening race" in New England. This event has grown tremendously both in participation and attendance. Our willing volunteers in the refreshment stand will attest to this!

In the year past some eighty six children in the town enjoyed the ski program sponsored by the Club, which arranges for equipment, transportation and ski lessons at the Mt. Whittier Ski Area. For several years the management of the Mt. Whittier Ski Area has offered their fa-

cilities for our program. We appreciate their cooperation.

A more recent activity this year found a group of thirty-odd snow mobilers enjoying a days outing in the Paugus Mill area complete with picnic, campfire and ventures into adjacent territories.

An addition to our program this year is the skating rink in Tamworth Village located behind the Post Office building. It has been good to see so many people enjoying it. We express our thanks to all who participated in the construction, and in particular to Mr. Hidden and Mr. Behr for their donation of the location, and to Mr. Dave Brooks of Wonalancet, who provided us with two fine lights for night skating.

The Outing Club welcomes suggestions for improving its program and would like to acknowledge the support of its activities made possible through the efforts and contributions of its members and friends.

PARKER C. WHIPPLE
President
1970-71

COOK MEMORIAL LIBRARY

Several improvements have been made in your library this year and all with money donated by generous citizens. A lavatory has been added, the cellar floor cemented and the cellar stairs made safe. Stacks have been ordered for the cellar which will furnish much needed shelf space and magazine storage.

The Friends of the Library, donated \$500 to the project. Over \$250 of this was earned by giving a supper which was followed by a program featuring the modeling of 19 wedding gowns dated from 1814 - 1968.

Mrs. Spicer, our librarian for the past 6 years retired in June and Mrs. Gordon Evans took over in July.

Business continues to be brisk. 3372 books were checked out by over 2400 children and adults. Students from both the elementary and high schools continue to use reference materials on Wednesday evenings.

Our thanks to the Garden Club for indoor Christmas trees and to those who have donated books and magazines. And again we are grateful to the faithful cataloging committee whose work is never done.

TAMWORTH FOUNDATION

July 1970

To the Tamworth public:

This thirty-third report and appeal comes, as the saying is, between hay and grass: at a time when substantial former projects are completed and new projects have yet to be begun. Through the imagination of the founders and people's loyalty over the years, notably in the epochal bequests of Miss Wilson and Mrs. Whittemore, the Foundation is now strong enough to give important help to continuing causes: libraries, the pre-school, swimming and skiing programs for children, fire protection, the school. But it is not strong enough to complete a major project in one year. The Wilson library and added class-room at the school took three years' income over and above continuing commitments, and even the new tennis courts were paid for over two years. Of major efforts, only the dam to hold the water-level of Chocorua Lake was accomplished in a year, through the never-forgotten skill and economy of Almon Evans. At the last Town Meeting Mrs. Damon's gift to the Town of the so-called Willow Inn - the house opposite Remicks' Store - was provisionally accepted for new Selectmen's offices, but plans were referred to a committee. The change, if and when it is made, may be the Foundation's next major effort. Much speaks in its favor: less cramped quarters for the Selectmen and other Town officials, safer place for our long series of documents, possible future usefulness to the village nurse, and - not least - freedom someday to move the Town House, which was the original church and is historically the most important building in town, to an opener and handsomer site. We have begun saving money toward what may be agreed to be this desirable but expensive change. But our main point is that the Foundation, as a resource, differs from other organizations in town; part of its function is persistence; it resembles, so to speak, a coal fire, not a

wood fire. Tax-money is heavily committed, almost wholly to schools and roads; other organizations look to specific purposes; the Foundation, while helping in these other purposes, has as main and long-term function to achieve for our humane town changes that are evoked by a complex age but would not otherwise be possible.

\$2,000 went last year to the pre-school, which in some other States is part of the educational system but is an independent effort here, the more necessary because children increasingly begin life in small isolated households. For them it can be a crucial first exposure to the wider life of school; it is conducted with knowledge and imagination by Mrs. Stanley Coville and her helpers. \$500 went to the school for a moving-picture screen and shades to darken the auditorium, \$100 to the school library, and a like amount for sport equipment; familiar appropriations to the Outing Club for ski instruction for children and to the Red Cross for the swimming program about equalled the gifts to the school. The last of five payments, this year of \$3,450, was made on the bond for the Evans Memorial Fire Station. \$1,000 was given to the Tamworth Library toward the much needed renovation of the basement and installation of running water. Last year's report came too early to permit notice of a gift of \$1,000 to help complete the acquisition of Jackman Pond by the Tamworth Conservation Commission. These expenses reach a considerable total, but the Fire Station is now paid for, and that future saving together with what remains of this year's income will give at least a start toward the new Selectmen's office, if it is in fact approved by the committee and the Town.

This letter would be incomplete without fond and grateful memory of Bill Lincoln, who more than anyone else was responsible for the new tennis courts. The achievement fitted his joy in sport and still greater joy in seeing other people, especially young people, take part. Athlete that he was, he moved with sure grace not wasting motion,

and the trait extended to his words: he said in a phrase what others, usually with less meaning, say in a sentence. The purity of his feeling was transparent - of self-demand first but also of bright faith in others - never more transparent than in the adversity of his illness, as if he knew that he was behind and was silently trying still to win. We, like many others, continue to miss his clear spirit.

The Annual Meeting at 4:00 P. M. Friday, August 28th. at Runnells Hall (of which further notice will be given) will be the more important this year because changes by the Congress of the laws regulating foundations will require additions to our articles. As you know, we are not, properly speaking, a Foundation but a Civic League: namely, an organization for the benefit of a Town which may do only what by statute a Town is permitted to do. But minor change of articles will help clarify the fact and strengthen our status under the new law. Please attend the meeting, please also keep loyalty to the Foundation, which depends importantly on annual gifts. Though there are many good causes in Tamworth, none more fundamentally concerns the continuing character of this admirable place. Gifts large and small, which are deductible on Federal Income Tax Returns, will be gratefully received by Charles T. Gallagher, Treasurer, in Chocorua.

For the Tamworth Foundation
JOHN H. FINLEY, President
FRANK W. VINCENT, Secretary
CHARLES T. GALLAGHER, Treas.
EARLE H. REMICK

* Market value may be higher or lower.

Respectfully submitted,
CHARLES T. GALLAGHER
 Treasurer

REPORT OF THE SPECIAL HEALTH OFFICER

During the 1970 season, 31 new septic sewage disposal systems were constructed or approved for construction in the Town of Tamworth. Ten of these systems required State Permits due to their proximity to State Waters. All of the systems, however, were designed according to State specifications. In addition about twenty existing systems required cleaning or repairing and this work also was supervised by the Special Health Officer.

1970 was the sixth year in which the Town of Tamworth has been supervising the design and construction of septic sewage systems. Although some 150 new houses have been built during this period, the Town's sewage disposal program has satisfactorily safeguarded our streams and lakes against the dangers of excessive water pollution. In fact, the comprehensive nature of our program has probably reduced the level of pollution in spite of the new construction.

A. H. CHAPMAN PE
Special Health Officer

TAMWORTH SUMMER ENRICHMENT PROGRAM

The Tamworth Summer Enrichment Program concluded its 3rd season last summer at the Kenneth Brett School. Dana Steele director of program with able help from a staff with Steve Euranius, Mrs. Connie Hughes, Mrs. Belle Swenson, Mary Beth Bliss, and Kate Thompson. As usual, a full range of activities was offered including:

a) Sports of all types: baseball, tennis, softball, soccer, track and field. A 13-14 year old baseball team was formed last summer which competed against neighboring camps.

b) Arts and Crafts of all types: Tie and dyeing proved to be popular last summer, but this was just one of the many forms of arts and crafts presented by Mrs. Swenson and Mrs. Hughes. An exhibition at the Tamworth Arts Council Annual Meeting capped the program.

c) Nature: field trips under the guidance of Steve Euranius, Percy Olton and Sally Gallagher formed the main part of this activity. The program highlight was a series of day long field trips to the Science Center in Holderness.

d) Music: This new activity was started by Mary Beth Bliss and emphasized singing and work with various instruments.

e) Special events: These included many long bike hikes, mountain trips (Chocorua, Sandwich Dome and the Lafayette - Lincoln Range), a field day and others, many "invented" by the kids such as "frisbee football" or "croquet golf."

The purpose of the program is to provide supervised recreation and the opportunity for individual growth by offering instruction in athletics, conservation, arts and crafts. There were approximately 120 children participat-

ing in the program, 75% of which were year round residents.

The program wishes to thank each and all who gave their time and support, no matter how small, for again making the program a success.

Signed, DANA A. STEELE

WARRANT
FOR ANNUAL MEETING
OF THE TAMWORTH SCHOOL DISTRICT

To the inhabitants of the School District in the Town of Tamworth qualified to vote in district affairs:

You are hereby notified to meet at the Kenneth A. Brett School in Tamworth on Tuesday, March 9, 1971.

The meeting will be in two parts:

I. In order that Articles 1-6 may be legally voted upon you are hereby notified that the polls will be open for this purpose at 10:00 a.m. on Tuesday, March 9, 1971.

ARTICLE 1 To elect a Moderator for the ensuing year

ARTICLE 2 To elect a Clerk for the ensuing year.

ARTICLE 3 To elected a member of the School Board for the ensuing three years.

ARTICLE 4 To elect a Treasurer for the ensuing year.

ARTICLE 5 To elect two Auditors for the ensuing year.

ARTICLE 6 To elect five members of the Advisory Committee for the ensuing two years.

II. The meeting will reconvene at 7:30 p.m. in said school house on Tuesday, March 16, 1971. You are hereby notified to meet at the Kenneth A. Brett School at said time to act upon the following subjects:

ARTICLE 7 To see if the district will vote to raise and appropriate the sum of \$300 to be placed in a Capital Reserve Fund, to be used exclusively for new plumbing in the school.

ARTICLE 8 To see what sum of money the district will vote to raise and appropriate for the support of schools, for the payment of salaries for district officials and agents, and for the

payment of the statutory obligations of the district.

ARTICLE 9 To transact any other business that may legally come before said meeting.

Given under our hands this 19th day of February, 1971.

PAUL I. TAYLOR
STEPHEN F. DAMON
ELVA F. BICKFORD
School Board of Tamworth, N. H.

A true copy of warrant, attest:

REPORT OF THE SCHOOL NURSE

School Health Services

Medical Examinations	174	Heights	120
Hemoglobins	59	Weights	120
Urinalysis	59	Vision Tests	112
Tine Test for Tuberculosis	34	Hearing Tests	87

Number of Defects Found

Posture	19	Tonsils	3
Enlarged Turbinates	3	Acne	1
Ear Wax	5	Underweight	2
Pronated Feet	14	Obese	2
Structural Defect	2	Low Hemoglobin	16

One hundred and eight students attended the Immunization Clinics held in January, February, April, October and November, 1970 sponsored by the Tamworth Community Nurse Association and the New Hampshire State Department of Health, Dr. Edwin Remick and the Tamworth School Board.

During March and April, 80 students participated in the oral hygiene and topical flouride program held at the Kenneth A. Brett Elementary School.

In May, Tine Test for tuberculosis was done on pupils in Grades I and VII with negative results.

Thirty-seven students in Grades I -IV attended the dental clinics.

Orientation Day for incoming first graders was held May 25, 1970 at the Kenneth A. Brett School. Weights and heights were done at this time - also discussion of care of teeth and proper foods.

On December 4, 1970, two New Hampshire State dental hygienists spoke, demonstrated and showed a film strip on dental care.

Meetings attended as part of duty:

Carroll County Mental Health Agency

Meeting of Carroll County Commission on Juvenile
Crime and Delinquency in May, 1970

Annual Spring Meeting of the New Hampshire School
Nurses in Portsmouth.

September meeting in Concord for conference on
“Drugs: The Children Are Choosing”

October discussion group on “Drugs: The Children
Are Choosing” held at the John Fuller School in
North Conway.

My sincere thanks to Mrs. Rebecca Sanborn, R. N.,
School Nurse of Union No. 9, for her assistance during the
school year.

Respectfully submitted,
VIRGINIA W. DAMON, R. N.

Tamworth's newest addition to Highway Dept. equipment is this new Austin-Weston 4-wheel drive grader purchased in 1970.

In a continuing effort to up-grade the Tamworth Fire Department this Chevrolet pumper-tanker, built by Howe, was added in 1970. The tanker has a 600 gallon tank and 500 gallon per minute piston pump.
